

The Dentist's Choice

TM Your Local Handpiece

Most handpieces fail prematurely. We know why and can help.

Pick up the phone and call us at The Dentist's Choice. We specialize in handpiece repair and over the last 15 years have repaired tens of thousands of handpieces.

We'll show you how to maintain your handpieces and extend their useful life with a free seminar at your office. We can repair your handpieces and get them back to you within a few days. We'll save you money too!
